

Safety. Tradition. Trust. Community.

**Believe it or not,
these words still apply
to a financial institution.**

And it's right here in your own backyard.

It's easy to get caught up in all the bad financial news. But the fact is, the Bank of Santa Clarita is solid as a rock. We're not a thrift. We don't do subprime loans. We don't own stock in Fannie Mae or Freddie Mac. We don't play with "creative" schemes that put your assets at risk. We're a traditional bank, committed to keeping your deposits safe and protected.

So, if you're feeling uneasy, talk to us. Call any of our top executives at their direct numbers, or just stop by our main office. We're here to listen, to respond, and to earn your trust.

We look forward to talking with you.
